

It's time to give back!

Supporting Pastor Sieber's winter shelter for the homeless in Zurich city

[11th Wreath-Making - 17 November to 05 December 2021]

Just imagine, having no shelter to go to and being forced to stay the night on the street during this cold winter. How would you feel in this situation? Everyday realities demonstrated that **each of us could be homeless**. It is a question of destiny illustrated in combination of different events and suddenly it just happened before we realized it... Therefore, **it is important that we treat others as we would like to be treated if we were in their positions**. Today, we are blessed to be on the sunny side of life, which gives us the opportunity to acknowledge it, but also **to be thankful and to support those on the shadows**. For each CHF 500 donated, we can support one homeless person with winter gloves, hat, scarf, shoes and a sleeping bag. *"All you have shall some day be given, **therefore give now**, that the season of giving may be yours and not your inheritor. It is well to give when asked, but it is better to give unasked, through understanding. And to the open-handed the search for one who shall receive is joy greater than giving"* (Khalil Gibran)
