Sincere greetings from the office of the congress man Rev. Dr. Samuel R. Enders, Representative Electoral District#6 Montserrado County.

On behalf of the children, mothers and people of the SD Cooper road, including the people of district#6 and the Liberian Government, we want to extend our heartfelt thanks and appreciations to you, your organization, the Rotary family and the loving people of Switzerland for your meaningful humanitarian work to the people of Liberia.

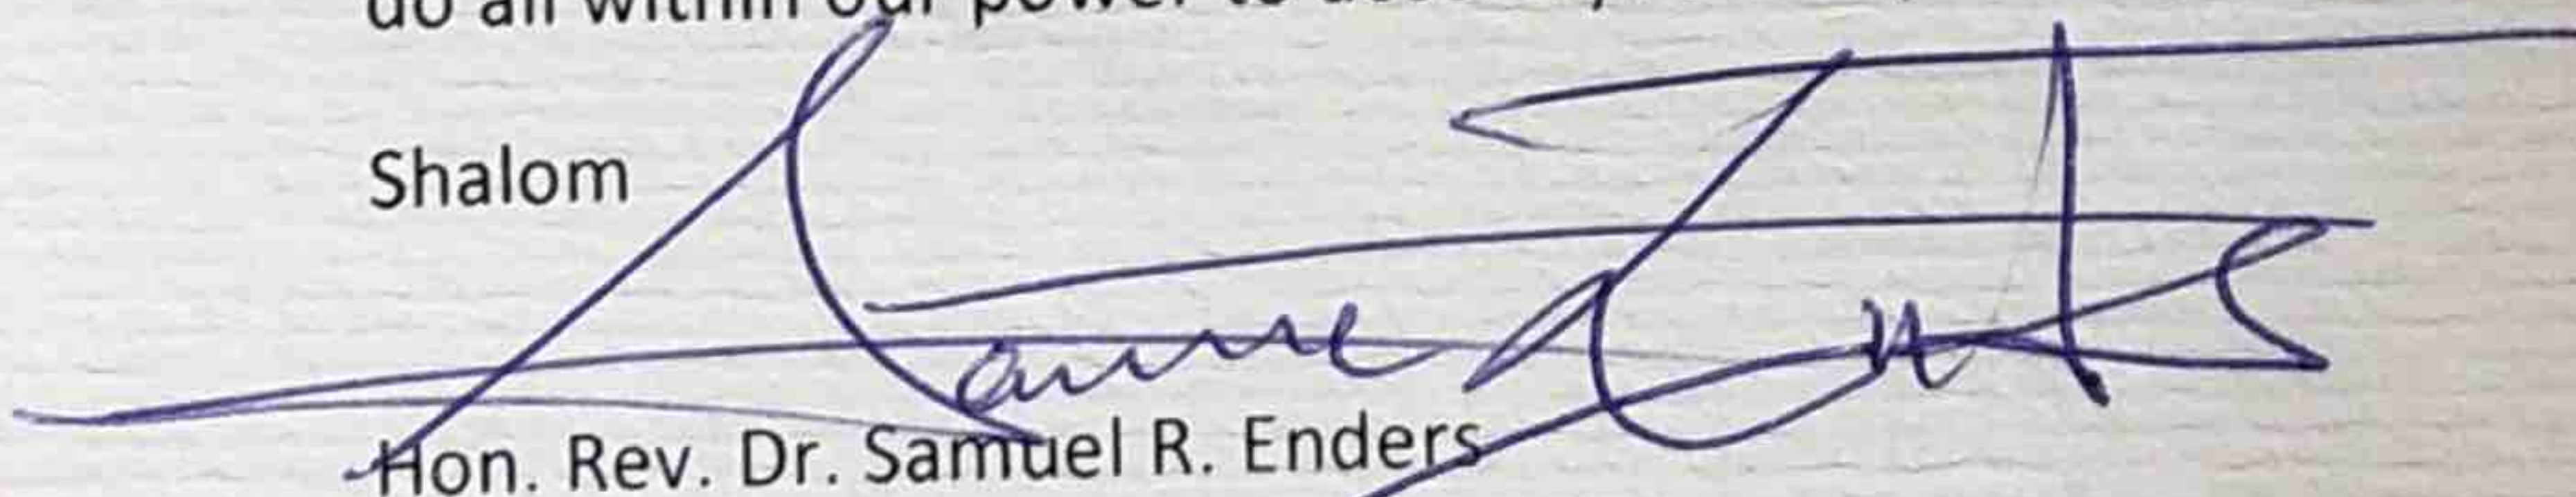

Our people are faced with so many hardships in the face of extreme poverty, among those hardships are lack of clean and safe drinking water, healthcare for women and children, lack of quality education, toilet facilities, empowerment of women and more. Drug addiction is now a serious problem facing our nation as we struggle to deal with teenage pregnancy and unemployment, we hope that our partnership will help address some of these issues as we are collaborating for the sake of humanity.

Many thanks for the well dug on the SD Cooper road, which is now providing clean and safe drinking water for hundreds of children of the school, families in the community, and providing jobs for our young people. Because of the clean water you are providing, many children will have better health as hundreds of families will drink clean water, wash with clean water, cook with clean water, and bath with clean water.

You have also provided a place for our students to toilet freely and with some degree of privacy. Thanks for giving them hope and treating them with dignity. Your action speaks loudly to the fact that you value human life, especially our woman and children.

Once again please accept our sincere thanks and appreciation. If there is anything we can do as a community and government, please do not hesitate to contact my office. Our people and government will do all within our power to accord you and your organization all due courtesy.

Shalom

  
Hon. Rev. Dr. Samuel R. Enders

## REF: LETTER OF APPRECIATION

Dear Sir,

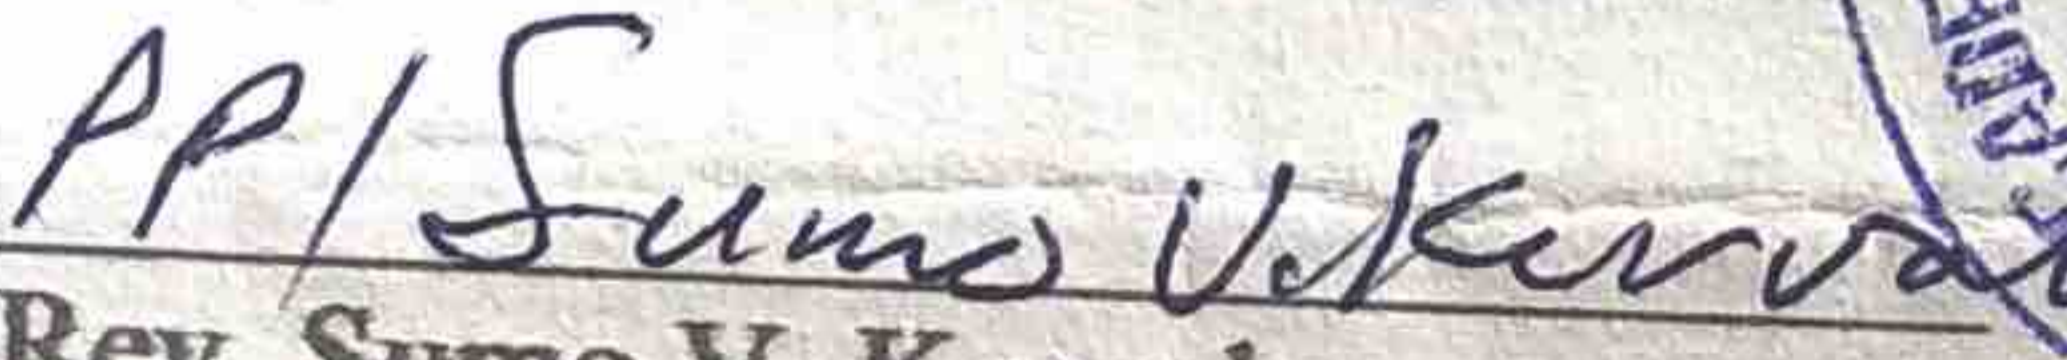

The administration of the Immanuel Christian Academy as well as the Pastors, Elders, members, leaders and the leadership of the entire S.D. Cooper Road Community is very grateful to be beneficiary of a modern toilet facility and a water tower which is providing safe drinking water for our use. You have improved our sanitary condition. We wouldn't have received such gift without your generosity. We remain very thankful to the donors and the loving people of Switzerland for the smooth implementation of the project.

With the special grace of God, we shall do our best to maintain the sustainability of the facility entrusted to our care.

It is our hope that this partnership established will remain unhindered.

Kind regards.

District 2000

Dear Rotarians:

The above named church and the school, Immanuel Christian Academy (ICA), wish to extend our heartfelt thanks and appreciation to you for funding the water and sanitation projects at our facility for the use of the school and the S.D. Cooper Road Community.

We also want to use this medium to assure you that we will do our outmost best to ensure that the project is sustained and maintained.

May God continuous guidance be upon you as you serve as a blessing to other parts of Liberia.

Sincerely yours,
